

ENVIRONMENTAL POLICY

Haslam Printers Limited recognises the importance of environmental considerations and is committed to a policy of ongoing care for the environment, to ensure that we continuously try to reduce the impact of our operations on the environment.

In particular the following objectives will be pursued:

- 1** To ensure compliance with all relevant current environmental legislation and other compliance obligations.
- 2** To minimise waste in production and packaging and ensure that any waste generated is labelled, stored and disposed of correctly and to recycle waste whenever it is feasible or viable to do so.
- 3** To reduce our environmental impact by continuous improvement.
- 4** To reduce the amounts of solvents and other hazardous chemicals in the workplace and or atmosphere.
- 5** To provide safe, clean and hygienic working conditions.
- 6** To develop systems to prevent / reduce any environmental pollution and alert the company to any accidental emissions or incidents.
- 7** To establish a framework for setting environmental objectives and for reviewing progress towards achieving those objectives.
- 8** To ensure that all the management, staff and sub contractors understand and comply with this policy.
- 9** To periodically review this policy.
